

DesignInc

Initial one-year contract at leading architectural firm in Melbourne with a wonderful team environment.

Architectural Graduate

We are seeking an Architectural Graduate with a minimum of one year of relevant experience.

DesignInc is a medium-sized architectural firm in the heart of Melbourne CBD. We have a strong history of quality projects in a wide range of typologies. We firmly believe in creating healthy environments not only for the people who inhabit our buildings, we also pursue a healthy environment for ourselves. We have developed a very flexible work environment and invest in team building and ongoing learning.

To be successful for this position you will need:

- Previous experience within the architecture profession.
- Enthusiasm for excellence and the benefits of good design.
- Good interpersonal and communication skills.
- Experience using Revit preferred.
