
Full time, permanent role at leading architectural firm in Melbourne with a wonderful team environment.

Senior Site Project Architect

We are seeking a Senior Site Project Architect that presents strong all round client leadership and team management skills with 10-plus years of relevant experience.

DesignInc is a medium-sized architectural firm in the heart of Melbourne CBD. We have a strong history of quality projects in a wide range of typologies. We firmly believe in creating healthy environments not only for the people who inhabit our buildings, we also pursue a healthy environment for ourselves. We have developed a very flexible work environment and invest in team building and ongoing learning.

To be successful for this position you will need:

- Senior Site Project Architect with more than 10 years' experience. Delivering medium to large projects with Tier 1 + 2 contractors in a variety of procurement settings.
- Strong team and client leadership skills. Demonstrate the development of positive and collaborative relationships with construction partners.
- Enthusiasm for excellence and the benefits of good design.
- Good interpersonal and communication skills.
- The ability to work on and lead a range of institutional, educational and infrastructure projects.
- 4 day work week can be considered for the right candidate.

Please send your applications to **Tatiana Doroshenko** at careers@melb.designinc.com.au.

DesignInc is an award-winning architecture practice combining a holistic approach to the built environment with expert knowledge in education, health, community, workplace, residential and urban design.

We aim to make a positive difference to the health and happiness of people's lives through the quality of every environment we create.
