

DesignInc

At DesignInc, our purpose is clear;

'Together we will make a positive difference in every environment we shape.'

Project Architect

DesignInc is an association of independent, multi-disciplinary design practices with studios in Adelaide, Brisbane, Darwin, Melbourne, Perth, and Sydney. Our purpose is to make a positive difference in every environment we shape. We believe that design is a journey to be shared, so collaboration is at the core of everything we do. The successful candidate for this role will have the opportunity to further progress their career within an inclusive and supportive studio culture.

Are you a highly motivated Project Architect that wants to further your career by joining our talented team?

The Role

In this role you will:

- Manage projects from concept design through to construction.
- Build and maintain client and stakeholder relationships via proactive communication skills.
- Contribute to the ongoing development and mentoring of other staff members.
- Assist and lead with the production of construction documentation in Revit.
- Build your professional relationships by working within collaborative project teams.
- Work across and gain experience within multiple sectors such as Education, Health, Defence, Community and Recreation.
- Have the opportunity to work on local, regional, and national projects of differing scales.

Your Skills + Experience

- Have been Registered for a minimum of 4 years.
- Excellent written and verbal communication skills.
- Degree/Master qualifications in Architecture.
- Proficiency using Revit, Enscape, Powerpoint, Excel and Word.
- Demonstrated ability to supervise and coordinate small to medium sized project teams.
- Willingness to work as part of a large project team when required, and the ability to also work autonomously.
- Effective time-management skills and ability to multi-task.
- A sound understanding of the NCC and relevant Australian Standards.

Our Team

As a multi-disciplinary studio focused on designing environments that promote health, happiness, and lasting positive impact, we have created a work environment for team members to reach their full potential.

Our team members benefit from:

- A culture of collaboration that strives to support each individual.
- Flexible working arrangements including a 9-day fortnight work arrangement.
- A Continuing Professional Development (CPD) program comprised of internal and external training.
- Mentoring programs to support personal and professional growth.
- Regular Social Events; team events and work functions.
- Opportunities for career advancement within the practice.
- Access to an Employee Assistance Program (EAP).

The role is fulltime and based in our CBD office location. Salary package and general terms will be compliant with the Fair Work Act, relevant Awards, and negotiated based on the successful candidates' skills and experience.
