

Senior Architect

Permanent full-time role at a leading architectural firm with a passion for creating healthy buildings.

We are seeking a talented Senior Architect with proven experience delivering complex, large-scale building projects across multiple sectors. You will be responsible for design integrity, technical coordination, consultant management, and project delivery from concept through construction.

DesignInc is an award-winning architecture practice, combining a holistic approach to the built environment with expert knowledge in education, health, community, workplace, defence and urban design. We strive to enhance people's lives by designing environments that promote health, happiness, and a lasting positive impact.

Key responsibilities

- Manage day-to-day project work across all stages.
- Manage and produce documentation throughout the design delivery process.
- Manage consultant communication and coordination.
- Provide technical leadership.
- Oversee and manage compliance with Australian Building Codes and regulations.
- Mentor junior staff.
- Contribute to the implementation of sustainable strategies in all project assignments.

About you

In this role you will be able to demonstrate:

- Master's degree in Architecture or a recognised equivalent qualification.
- Registered Architect (ARBV or equivalent).
- Minimum of 10+ years of industry experience with exposure to medium to large-scale projects.
- Australian citizenship (mandatory, as the role may involve work on defence projects).
- Demonstrated project experience in the Health, Education, Laboratory and/ or Defence sectors.
- Excellent communication and problem-solving skills.
- Solid understanding of architectural documentation process and technical capabilities.
- Demonstrated proficiency in Revit.

Benefits we offer

- A culture of collaboration that strives to support each individual.
- Professional development through a Continuing Professional Development (CPD) program including internal and external training.
- Mentoring programs to support personal and professional growth.
- Access to an Employee Assistance Program and flexible working arrangements.
- Regular social events, team gatherings and work functions.

How to apply
