

# DesignInc

At DesignInc, our purpose is clear;

**'Together we will make a positive difference in every environment we shape.'**

## Graduate Landscape Architect

DesignInc is an association of independent design practices with studios in Adelaide, Brisbane, Darwin, Melbourne, and Sydney. Our Adelaide studio is growing its landscape architecture team as they deliver an exciting array of new projects.

Are you a highly motivated Graduate or recently Registered Landscape Architect looking to progress your career within a collaborative, multi-disciplinary design studio? We provide a supportive and inclusive studio culture based on the values of integrity, collaboration, curiosity, and persistence.

### The Role

In this role you will:

- Contribute to the design and delivery of landscape architecture projects across all phases, from concept through to the construction phase
- Assist in developing site-responsive design outcomes, including public realm, open space, and master planning projects
- Support the preparation of presentations, reports, and high-quality visual material for client and stakeholder engagement
- Produce design documentation packages, including plans, details, and schedules
- Assist in developing sustainable and resilient landscape solutions, including planting design and water-sensitive design strategies
- Work collaboratively with architects, urban designers, and consultants within a multi-disciplinary team environment.
- Gain exposure to a diverse range of projects across sectors such as Education, Health, Defence, Community and Recreation

### Your Skills + Experience

- Approximately 2–5 years' post-graduate professional experience, or recently registered/working towards registration (AILA desirable)
- Excellent written and verbal communication skills
- Degree qualification in Landscape Architecture
- Proficiency using AutoCAD, Adobe Suite and SketchUp. Revit proficiency and experience will be highly regarded
- Willingness to work as part of a large project team when required, and the ability to also work autonomously
- Effective time-management skills and ability to multitask
- A sound understanding of the NCC and relevant Australian Standards

## Our Team

As a multi-disciplinary studio focused on designing environments that promote health, happiness, and lasting positive impact, we have created a work environment for team members to reach their full potential.

Our team members benefit from:

- A culture of collaboration that strives to support each individual.
- Flexible working arrangements including a 9-day fortnight work arrangement.
- A Continuing Professional Development (CPD) program comprised of internal and external training.
- Mentoring programs to support personal and professional growth.
- Regular Social Events; team events and work functions.
- Opportunities for career advancement within the practice.
- Access to an Employee Assistance Program (EAP).

The role is fulltime and based in our CBD office location. Salary package and general terms will be compliant with the Fair Work Act, relevant Awards, and negotiated based on the successful candidates' skills and experience.
