Experienced Architectural Graduate

Permanent full-time role at a leading architectural firm with a passion for creating healthy buildings.

We are seeking an experienced Architectural Graduate to join our team to support our large scale Australian Government, infrastructure and institutional projects.

DesignInc is an award-winning architecture practice, combining a holistic approach to the built environment with expert knowledge in education, health, community, workplace, defence and urban design. We strive to enhance people's lives by designing environments that promote health, happiness, and a lasting positive impact.

Key responsibilities

- Produce and coordinate project deliverables including documentation, presentations and reports.
- Collaborate with clients, consultants, and stakeholders, as required to support project goals.
- Demonstrate understanding of building materials, systems, specifications, codes, details and construction techniques.
- Manage time and workload to meet project deadlines and commitments.
- Understand compliance with Australian building codes and standards.
- Contribute to the implementation of sustainable strategies in projects.

About you

In this role you will be able to demonstrate:

- Master's degree in Architecture or a recognised equivalent qualification.
- Minimum of 3 years of industry experience with exposure to medium to large-scale projects.
- Experience in complex building typologies preferred.
- Excellent communication and problem-solving skills.
- Solid understanding of architectural documentation process and technical capabilities.
- Confidence in dealing with suppliers and consultants
- Ability to collaborate effectively within a team.
- Demonstrated proficiency in Revit, other 3D software rendering software, and Adobe Suite.
- Australian citizenship to allow work on Australian Government Projects.

Benefits we offer

- A culture of collaboration that strives to support each individual.
- Professional development through a Continuing Professional Development (CPD) program including internal and external training.
- Mentoring programs to support personal and professional growth.
- Access to an Employee Assistance Program and flexible working arrangements.
- Regular social events, team gatherings and work functions.
